Electrical Board Minutes – November 11, 2019 meeting

Call to Order: Travis Blankinship

Present: Rick Kiister, Travis Blankinship, Dennis Royer, and Rick Howard

Absent: Kenney Evans

Approval of Minutes: Review of the October 07, 2019 minutes. Motion to approve Rick  
Motion approved and passed 4/0

Old Business: Reviewed the approved ordinance update by the commission and  
discussion. There has been no issues or complaints received by the Board

New Business: CEU requirements. Rick Howard discussed the importance of requiring  
electricians to be required to submit CEU each year. "It is vital that we  
ensure that electricians are staying up to date on changes and refreshing  
the knowledge of electrical work."

General discussion, all board members agreed to the importance of CEU  
requirements and the importance of making sure it is done.

Discussion on the number of required hours and it was decided they  
should give all the electricians (1) year to get 12 hours of accredited  
Kansas approved CEU done and then require 6-hours of approved CEU  
per year thereafter in order to receive your City license.

Motion: Rick Howard – Direct David to have the City Attorney provide  
a change to the City Code for Electrician license for the 21<sup>st</sup> of November  
meeting. In order to receive your 2021 Master or Journeyman City  
License, electricians will be required to provide the City with 12 hours of  
accredited Kansas Electrical CEU. Thereafter, 6 hours of CEU will be  
required each year to receive your City license renewal.

Second: Rick Kiister  
Motion Passed 4/0

Maintenance Work Discussion was held about a general maintenance / janitor employee and doing  
some minor electrical work in the City of Independence. Members discussed
